**Firstly, congratulations on your upcoming wedding!  
And many thanks for your enquiry about using our chocolates for your favours.**

Our wedding favour options are as follows:-

**A classic option.**

Two handmade, hand foiled chocolate truffles in a simple stylish box finished with curling ribbon and a handwritten tag. We can provide either alcoholic and/or non-alcoholic chocolates. The box is available in cream, and we have a wide range of ribbons so the favours can be tailored to co-ordinate with your wedding colour scheme. The names of the bride and groom and the date of the wedding are written on the tag.

**A fun option.**

A heart shaped chocolate lollipop tied with curling ribbon and a tag hand written with the bride and groom's names and the date of the wedding. We will endeavour to match the ribbon as closely as possible to the colour scheme of the wedding. These make a nice favour for everyone but especially children!

**Price €1.30 each**
